

# H2020 A-WEAR Summer Workshop

A-WEAR ("A network for dynamic wearable applications with privacy constraints.") is a four year (2019-2022) H2020 Marie Skłodowska-Curie (MSC) Innovative Training Network (ITN)/European Joint Doctorate (EJD) bringing together 17 European industrial and academic partners (including the University Mediterranea of Reggio Calabria) with the aim of supervising 15 young Early Stage Researchers (ESRs) to face the future challenges in smart wearables and wireless computing and enhance their career prospects by training them in a multi-sector cross-country environment.
